

## **MCC Coronavirus (COVID-19) Statement**

Dear Customers and Suppliers,

The global coronavirus outbreak (COVID-19) is impacting global commerce, and we are assessing the full business impact to MCC and our supply chain. We continue to monitor the situation and are taking appropriate steps to safeguard our employees and customers.

Our priority is to protect our supply chain and customers. We are in constant communication with our suppliers, customers, logistics service providers, and global port authorities to monitor the situation and take appropriate action as needed.

- As of February 9, 2020, MCC's manufacturing facility in Yangzhou, China resumed work from the extend Chinese New Year.
- Our shipping, warehouse distribution, and sales operations are still at 100% operational levels.
- Logistics service providers has estimated delays ranging from 1-2 weeks depending factors such as location, mode of transportation, availability of drivers and transportation capacity.
- Customers should place new orders promptly to minimize any logistical impacts.

Please ask your MCC Sales Representative for information specific to your account. We will continue to provide updates as the situation evolves and more information becomes available.
